CCL Industries Signs Agreement to Acquire 100% of Middle East Venture

Toronto, May 13, 2024 - CCL Industries Inc. (“the Company”), a world leader in specialty label, security and packaging solutions for global corporations, government institutions, small businesses and consumers, announced today it has signed a binding agreement to acquire the remaining 50% equity interest in its Middle East joint venture, Pacman-CCL (“PCCL”), from its partner, Albwardy Investment LLC headquartered in Dubai. PCCL operates manufacturing facilities in the United Arab Emirates, Oman, Egypt, Saudi Arabia and Pakistan. The transaction is expected to close this summer, subject to local regulatory procedures in the jurisdictions. Financial highlights of the transaction will be announced upon closing.

Forward-looking Statements

This press release contains forward-looking information and forward-looking statements (hereinafter collectively referred to as “forward-looking statements”), as defined under applicable securities laws, that involve a number of risks and uncertainties. Forward-looking statements include all statements that are predictive in nature or depend on future events or conditions. Forward-looking statements are typically identified by the words “believes,” “expects,” “anticipates,” “estimates,” “intends,” “plans” or similar expressions. Statements regarding the operations, business, financial condition, priorities, ongoing objectives, strategies and outlook of the Company, other than statements of historical fact, are forward-looking statements. Specifically, this press release contains forward-looking statements regarding the expectation to close the acquisition of PCCL within three months.

Forward-looking statements are not guarantees of future performance. They involve known and unknown risks and uncertainties relating to future events and conditions including, but not limited to, general economic and geopolitical conditions; currency exchange rates; interest rates and credit availability; technological change; changes in government regulations; risks associated with operating and product hazards; and the Company’s ability to attract and retain qualified employees. Do not unduly rely on forward-looking statements as the Company’s actual results could differ materially from those anticipated in these forward-looking statements. Forward-looking statements are also based on a number of assumptions, which may prove to be incorrect. Should one or more risks materialize or should any assumptions prove incorrect, then actual results could vary materially from those expressed or implied in the forward-looking statements. Further details on key risks can be found in the 2023 Annual Report, Management’s Discussion and Analysis, particularly under Section 4: “Risks and Uncertainties.” CCL Industries Inc.’s annual and quarterly reports can be found online at www.cclind.com and www.sedarplus.ca or are available upon request.
Except as otherwise indicated, forward-looking statements do not take into account the effect that transactions or non-recurring or other special items announced or occurring after the statements are made may have on the Company’s business. Such statements do not, unless otherwise specified by the Company, reflect the impact of dispositions, sales of assets, monetizations, mergers, acquisitions, other business combinations or transactions, asset write-downs or other charges announced or occurring after forward-looking statements are made. The financial impact of these transactions and non-recurring and other special items can be complex and depends on the facts particular to each of them and therefore cannot be described in a meaningful way in advance of knowing specific facts. The forward-looking statements are provided as of the date of this press release and the Company does not assume any obligation to update or revise the forward-looking statements to reflect new events or circumstances, except as required by law.
