With headquarters in Toronto, Canada, CCL Industries now employs approximately 10,000 people and operates 89 production facilities in 25 countries on 5 continents with corporate offices in Toronto, Canada, and Framingham, Massachusetts. CCL Label is the world's largest converter of pressure sensitive and extruded film materials for a wide range of decorative, instructional and functional applications for large global customers in the consumer packaging, healthcare, automotive and consumer durables markets. Extruded plastic tubes, folded instructional leaflets, precision printed and die cut metal components with LED displays and other complementary products and services are sold in parallel to specific end-use markets. Avery is the world's largest supplier of labels, specialty converted media and software solutions to enable short run digital printing in businesses and homes alongside complementary office products sold through distributors and mass market retailers. CCL Container is a leading producer of impact extruded aluminum aerosol cans and bottles for consumer packaged goods customers in the United States, Canada and Mexico.
