
The Board has established the Audit Committee to assist the Board in its oversight responsibilities regarding the integrity of the Company's accounting and internal controls, financial reporting and disclosure, information systems, and internal audit, and the selection, evaluation and compensation of external auditors.

The CFO acts as staff facilitator to the Committee. The Audit Committee has the authority to communicate directly with the internal and external auditors. The Company's Auditors shall report directly to the Audit Committee.

Composition of Committee. The Committee shall be composed of a minimum of three Directors, or such greater number as determined by the Board from time to time, all of whom shall be "Independent Directors", within the meaning of applicable Canadian securities laws. The Committee members shall be appointed annually by the Board following each annual meeting of shareholders, and may be removed by the Board. Committee members must be "financially literate" within the meaning of applicable Canadian securities laws. Currently, "financially literate" means having the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements. The Secretary of the Company, or such other person as designated by the Secretary and approved by the Committee, shall act as secretary of the Committee meetings.

Committee Chair. Following each annual meeting of shareholders, the Board shall appoint a Chair of the Committee from among the members of the Committee. The Chair shall organize and direct the activities of the Committee, call meetings of the Committee as appropriate, establish the agenda for Committee meetings and chair such meetings. The Chair has responsibility to ensure that the matters set forth in this charter are given due consideration in the course of the Committee's annual activities. The Chair shall encourage full participation in the deliberations and activities of the Committee by each of its members. The Chair shall report on the activities of the Committee at regular quarterly Board meetings.

Committee Meetings. Committee meetings shall be convened at least four times each year, and at such other times as may be determined by the Chair. Notice of the time and place of each meeting shall be given by the Chair, or such other person authorized by the Chair, to each Committee member in the manner permitted by the Company's by-laws, not less than 48 hours before the time when the meeting is to be held. A notice of a meeting need not specify the purpose of or the business to be transacted at the meeting. A Committee member may in any manner waive notice of or otherwise consent to a meeting. Attendance of a Committee member at a meeting is a waiver of notice of the meeting except where the member attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting has not been lawfully called. Telephone, video and other virtual meetings of the Committee shall be considered valid if all persons participating in the meeting are able to communicate adequately with each other during the meeting. Directors who are not members of the Committee and management may, by invitation of the Chair, attend the Committee meetings. An *in camera* session, from which non-Independent Directors and members of management shall be excluded, will be held at each meeting. The quorum for the transaction of business at a Committee meeting shall be a majority of Committee members. Committee decisions shall be determined by a majority of the votes cast at the meeting by members of the Committee. The Chair shall not have a second or casting vote. The Committee has the authority to engage, instruct and compensate, at the Company's

expense, any outside advisor it determines to be necessary or appropriate to carry out its duties.
